Gentlemen:

Reference is made to Contract No. HF-20-80 and Amendments Nos. 1 through 5 thereto in the total amount of \$1,447,962 (contract target price), which amount is subject to price redetermination in accordance with SECTION L - PRICE REDETERMINATION, of the contract and other adjustments set forth herein.

The report on the price redetermination audit of the contract has been received in this office for consideration. Enclosed for your review is a copy of the "Summary of Examination of Costs, Exhibit A", together with Schedules 1 through 7 thereto, and Exhibit B of the audit report. Based on the audited costs and certain reinstated costs, together with an allowance for profit within the adjusted contract target price, the amount of \$1,443,986 is hereby offered as the final redetermined contract price.

The contract target price of \$1,447,962 set forth in Amendment No. 5 has been decreased by \$3,976 to reflect the adjustments in quantities of Items 12a, 34 and 34a of the contract in accordance with your letter of 13 February 1959. This results in an adjusted contract target price of \$1,443,986.

If settlement in the amount of \$1,443,986 proposed herein is satisfactory, please advise this office in order that the final amendment to the contract may be drawn. In the event you do not agree with this settlement, a meeting will be arranged either at your place of business or in this office at the earliest practicable date to negotiate final settlement of the contract.

Pending final settlement of this contract, it is requested that a list of all residual property generated thereunder be submitted to this office together with your recommendations as to the disposition thereof.

Very truly yours,
